Re: 2006 General Emergence (For DSL)

Blessed be the Lord the God of Israel!

Expressing my profound gratitude to the CCEO who conducted the 2006 General Emergence, and after having made some consultation with "co-discerners" and received some welcomed comments, I am now pleased, for the glory of God and service to BLD, to announce the following as DISTRICT SERVANT LEADERS.

|---------------------|-------------------------|
| 1. Norman Campos | - District of Bacolod |
| 2. Ferdie Jakosalem | - District of Cebu |
| 3. Ed Pacana | - District of Davao |
| 4. Jun Eala | - District of Manila |
| 5. Rene Castañeda | - District of Newark |
| 6. Doming Santos | - District of San Pablo |
| 7. Pat Canlas | - District of Toronto |
| 8. Tony Clarito | - District of Zamboanga |

I accompany this announcement of the emerged District Servant Leaders with a prayer that they will be anointed by the Holy Spirit for the job, and that the community will give them the fullest cooperation for the good of their respective Districts which include the Full-pledged and the Districts-in-Process.

With my best wishes and paternal blessing.
